

Magi Eldin

Brand & Campaign Designer based in New York, experienced in interactive storytelling, visual campaigns, and Figma-based prototyping for luxury and retail brands across U.S. and global markets.

Experience

Brand Designer @ Cole Haan

Nov 2024 – Sep 2025 / Hybrid, NY

- Owned creative execution across all in-store and digital campaign assets, leading seasonal design initiatives in Japan, China, and North America that improved conversion rates by 20%.
- Designed and tested scalable toolkits for global teams, aligning with brand strategy and enabling rapid localization across multiple markets.
- Produced GIFs and animations for newsletters and branded stories using Figma and Adobe After Effects, informed by A/B testing insights and content performance data.

Graphic Designer @ Neiman Marcus Group

Jul 2024 – Nov 2024 / Part-Time Remote, TX

- Supported Neiman Marcus' holiday campaign with high-impact visual assets across print and digital channels.

Graphic Designer @ Lane Bryant, Cacique

Nov 2023 – Nov 2024 / Remote, OH

- Collaborated closely with Meta to test and drive social media engagement across brand campaigns.
- Designed a refreshed campaign layout toolkit for omnichannel rollout, resulting in a 35% lift in customer engagement.
- Produced campaign assets, toolkits, and motion graphics (GIFs/animations) using Figma and Adobe tools to enhance storytelling and product focus. Created high-volume, brand-compliant assets for email, digital ads, print, and in-store marketing.

Digital Designer @ Stuart Weitzman

Aug 2022 – Nov 2023 / Hybrid, NY

- Produced seasonal creative assets for e-commerce, email, and social platforms.
- Collaborated with editorial and marketing teams to adapt layouts under tight timelines.
- Supported the rollout of cohesive global brand campaigns across paid and owned channels.
